## ABOUT VISAKHAPATNAM

Visakhapatnam is a port city and an industrial center in the Indian state of Andhra Pradesh, along the Bay of Bengal. It's blessed with a calm serene atmosphere all through the year making it a comfortable place to stay. It is known for its number of beaches, including Ramakrishna Beach, home to a preserved submarine at the Kursura Submarine Museum. Nearby is Kali temple and the Visakha Museum besides an old Dutch bungalow housing local maritime and historical exhibits. Palm-lined Yarada beach lies to the south, with sandy Rushikonda beach located in the north. Connected to the seafport by a cable car, the Kailasagiri Hill offers panoramic views of the city with rides on a mini train encircling the summit. Near the quiet beach of Bheemunipatnam is a ruined Dutch fort and cemetery. Farther northeast is the Araku, a limestone labyrinth in the Eastern Ghats Mountain. It also has an International Airport encircled with premium hotels. The city was selected as the 5<sup>th</sup> smart city in India. Guided tours can be arranged on request.

## ABOUT BITS

Baba Institute of Technology & Sciences (BITS) is located in a sprawling campus area of 15 acres, in P.M. Palem, Madhurawada. It is about 1KM from NH-5. It is uniquely and ideally situated at the foot of a long and thick greenish mountainous belt, imposing a hillock on western and southern sides overseeing the building complex. The cool breeze perennially blowing from the picturesque mountains marvelously motivates and inspires the young minds to learn & acquire the knowledge and skills to get a place of distinction and recognition for themselves in the fields of Technology, Science and Management. The college is bestowed with picturesque nature beauty combining with calm and serene environment and makes the campus a Shanti Niketan in the city of destiny.
